

## ASPEE MIST BLOWER

**Code : AMB/85H**

Applied in treating plant diseases and insect pests of Rubber Plantations & Orchards in Liquid as well as Powder / Dust form. Suitable for quick spraying operations especially in Rubber Plantations & Orchards

### **Special Features:**

- Compact design sturdy built unit
- Vertical Spray Lance gives Effective spray height
- Centrifugal air-blower, great fan efficiency
- Equipped pesticide application, steady pesticide application, low leftover of pesticide tank capacity
- Unattached forced draught cooling effect
- Electronic ignition, recoil starter makes the safe starting
- Anti vibration design that reduces operators fatigue
- Provided with bigger filler hole to avoid the spill filling
- The equipment is equipped with plastic blower casing and rotor
- The equipment is equipped with rotary pump and flexible hose assembly
- The engine produces high torque for better field operation

## ASPEE MIST BLOWER

### General Description:

ASPEE MIST BLOWER is the Ideal light weight powerful sprayer for spraying & dusting on tall rubber trees. Suitable for quick spraying operations especially in Rubber Plantations & Orchards.

ASPEE MIST BLOWER is easily portable and can be carried by single person there by saving on direct Labor cost. Mist blower is a very special kind of sprayer. It can be also used as a duster or as a flame thrower. It is suitable for larger areas, such as tobacco plantations and vineyards.

**CODE: AMB/85H**

Technical Description	
Model	<b>AMB/85H</b>
Type	Motorized knapsack mist blower sprayer cum duster
Engine type	Two stroke, single cylinder air cooled engine
Engine capacity	82.4 cc
Power (hp / kw / rpm)	4.8 / 4.0 / 8500
Net torque	3.15 N.m
Ignition system	C.D.I.
Starting system	Recoil starter
Carburetor	Float type
Chemical tank capacity	20 ltr $\pm$ 5 %
Fuel tank capacity	2 ltr
Air velocity	65 to 70 meter/sec
Air volume	18.4 m <sup>3</sup> /hr
Discharge	4.0 to 5.0 ltr/min
Vertical range	35 - 45 ft
Horizontal coverage	40 - 50 ft
Weight	14 kg (approx)
