

## POWER WEEDER

CODE : RT/GE/G-5.5

**FARM MECHANISED EQUIPMENT**

**Suitable for mechanised operations such as weeding, tilling and soil preperation in agricultural and horticultural crops and plantations**

## Technical Description

Code	RT/GE/G-5.5
Engine type	4-Stroke petrol engine
Displacement (cc)	215
Engine power Hp / kw@rpm	5.6 / 4.2@3600
Speed	2 Forward, 1 Reverse
Fuel tank capacity (ltr)	3
Oil filling in engine (Ltr)	0.5 - 0.6
Oil filling in gear box (Ltr)	1.4 - 1.5
No. of blades	24 pcs, 6 set
Tilling width (mm)	600 - 800
Tilling Depth (mm)	100 - 150
L x W x H (mm (approx))	860 x 475 x 720
Net weight (Kg (approx))	80

## Features

- Effectively uproots weeds and gives effective tilling
- Cost effective, labour and time saving equipment
- Powerful high performance engine for effective operations
- Ergonomic, anti-vibration design that reduces operator fatigue
