### ABOUT ME

💡 I have a clear, logical mind with a practical approach to problem-solving and a drive to see things through to completion. I have more than four years of experience in the Agriculture sector. Being in an Organic Certification Industry helped me to get the know-how of organic certification, inspection procedures, Tracenet handling for organic products. I want to be a part of an organization which would provide me an opportunity and responsibility to grow along with unending process of teaching and learning by continuously enhancing knowledge and skills in Agriculture and Allied sectors.
