## AGRICULTURAL GRADUATE

Respected sir myself k.mohanraj I'm an agricultural graduate and i am passionate In learning new skills and working in any condition. more interested in field works and practical learning. I love to be a team player and have experience in leadership. i come from an agricultural family. willing to learn more and work fullest. Above all i will learn and give my fullest effort for development where I work.

## EDUCATION

### Bachelor of Science (Agriculture), Graduated, June 2019

Kumaraguru Institute of Agriculture  
TNAU affiliated – Marks 74%(OGPA-7.44)  
Erode, Tamil Nadu

## Training and certification

- Training at SPAC industries, SPAC Starch Products (India) Ltd,
- Social welfare activities through PAASAAM NGO, PAASAAM NGO ,
- Soft skills Development, KCT and KIA.

## Work experience

I was working in a startup named govin's animal feed as a marketing lead. And performing well with its improvement. The startup parent company shen logic automation. Which is engaged in production of industrial scale weighing bridge. I was looking to improve my prospects and want to join any other institution relating agriculture field.

My decision is result of many factors. As a young graduate I always wanted to work in startup even having less salary because It given me a fulfillment of building something new  
But things have changed past two month because of some circumstances
