#### ABOUT ME

I have a clear, logical mind with a practical approach to problem-solving and a drive to see things through to completion. I have more than two years of experience as an Academic Coordinator (Agriculture Extension). Currently working as an Auditor at Baltic Control India with special emphasis on testing, inspection and certification in organic. Also being an Auditor at Baltic Control India helped me to get the know-how of organic certification and inspection procedures. I want to be a part of an organization which would provide me an opportunity and responsibility to grow along with unending process of teaching and learning by continuously enhancing knowledge and skills in Agriculture and Allied sectors.
