ABOUT ME

As a recent graduate with a Master's degree in Plant Pathology, I am enthusiastic about launching my career in the field of agricultural science and disease management. My comprehensive coursework and research experience have equipped me with a solid foundation in plant health, pathogen identification, and disease control strategies. I am eager to apply my knowledge and passion for plant pathology to contribute to the sustainable growth of crops, enhance agricultural productivity, and address the critical challenges facing the agriculture industry.

EDUCATION

Degree	Year	Grade	Institution
