PROJECTS

Manufacturing of 12 Screw-jack (Diploma)

Our college truss of about 7 to 8 tonnes was to be lifted by half meter for ventilation purpose so we were given project to make 12 screw jacks from preformed raw material. While working on this project I got exposure to various on field mechanical operations.

Design and manufacturing of beach cleaning machine (Degree)

Made electric beach cleaning machine from scratch at a low cost. During this project I got to learn number of **softwares** and **real-time engineering calcutions**.
